Urvaarukmiv Bandhanaan-mrityormuksheeya Maamritaat.**

Sivaya Vishnu Rupaya Siva Rupaya Vishnave

Maha Shivarathri falls on the 13th (or 14th) day of Krishna Paksha (dark half) of Phalgun (February - March). Shivarathri means "the night of Shiva". This is a festival observed in honor of Lord Shiva and it is believed that on this day Lord Shiva was married to Parvati. It marks the night Lord Shiva danced the 'Tandava'.
